**Pool and Hot Tub News:** The pool and hot tub is now open for use 8:00 a.m. to 10:00 p.m. daily. The pool and hot tub have leaking problems that may require temporary closure from time to time as we work on the problems. **The facilities will be open on a regular use basis without mandated COVID-19 protocols.** Please be courteous of those around you and maintain social distancing whenever possible. Sanitizing hands prior to entering facilities will remain available for the summer season.

**WATER MAIN SHUTOFF** – Please remember that any time your **condominium is vacant for more than 48 hours your water main must be shut off** to avoid any possibility of water damage. Your water main shut off can be found in a closet within your condominium and has a red label indicating it is the water main. Please do not remove the label and keep the water main shutoff accessible at all times. Owners are responsible for their tenant's and guest's adherence to this restriction. The insurance deductible in case of loss is \$25,000 and will be the owner's responsibility. Your cooperation is greatly appreciated.
